

## SMARTFEE IS THE AFFORDABLE WAY TO PAY YOUR PROFESSIONAL FEES

SmartFee Personal helps individuals pay invoices issued for professional fees over a monthly instalment plan.

### How do we do this?

We do this by funding the invoice so your accountant or lawyer gets paid upfront (by SmartFee Personal) for the total amount of the invoice and you pay the total amount owed on the invoice over a monthly, set schedule.

This allows you to manage your cash flow more effectively while being able to access the help you need, when you need it - not just when you can afford it.

### Why use SmartFee?

- Monthly instalments ranging from 3-12 months
- Quick approval
- Full invoice amount paid to your accountant or lawyer within 3 business days of you making your first instalment
- No application or administration fees
- Simple transparent online sign up process
- Dedicated Accounts Manager to administer your accounts and minimise potential missed payments
